	3. Ballscrew transmission for X,Y,Z axis		
	4. Aluminum molding+PVC table		
	5. Stepper motor 450A		

辉泰数控 Jinan Hopetool CNC equipment Co.,Ltd

Add: Room 2402, Bldg. C, Jinan Huaqiang Building, No. 157, Shanda Road, Lixia District, Jinan, Shandong, China

Fax:0086-0531-86557056, Mobile:0086-13256769091

Web:www.ht-cnc.net, Email:Sales04@ht-cnc.net

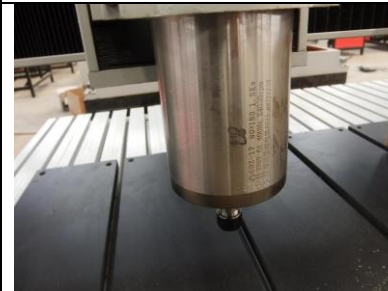

6. Chinese good Leadshine driver

7.Chinese good Fuling inverter

8. 1.5Kw water cooled spindle

辉泰数控 Jinan Hopetool CNC equipment Co.,Ltd

Add: Room 2402, Bldg. C, Jinan Huaqiang Building, No. 157, Shanda Road, Lixia District, Jinan, Shandong, China

Fax:0086-0531-86557056, Mobile:0086-13256769091

Web:www.ht-cnc.net, Email:Sales04@ht-cnc.net

9. Ncstudio control system

10. Automatic tools sensor

11.Type 3 software

辉泰数控 Jinan Hopetool CNC equipment Co.,Ltd

Add: Room 2402, Bldg. C, Jinan Huaqiang Building, No. 157, Shanda Road, Lixia District, Jinan, Shandong, China

Fax:0086-0531-86557056, Mobile:0086-13256769091

	12. 12 pcs Tools (one box)		
Delivery Time	15 days after payment		
Payment	T/T, Alibaba Trade Assurance		
Packing	Wooden case		
Training and use	<ol style="list-style-type: none">1. We will supply with the machine operation manual in English version for installing and operation.2.Customer can come to our factory training .		
Warranty and After service	<ol style="list-style-type: none">1. Our warranty is 2 years counting from the date when the Machine arrives at the port of destination.2. We will supply after service 24 hours one day ,customers can contact us any time.3.When some problems can't be solved by customers, our engineer can go to door to help.

Performance parameter

number	Description	parameter
1	XYZ working area	1200*1200*100mm
2	Table size	1300*1500mm
3	XYZ travel positioning accuracy	±0.05mm
4	XYZ repositioning positioning accury	±0.05mm
5	Table surface	Aluminum molding
6	Lathe structure	Cast iron
7	drive system X-Y axis	Ball screw
8	drive system Z axis	Ball screw
9	Spindle power	1.5 KW

10	Max velocity	8m/min
11	Max working speed	6m/min
12	Spindle speed	0-24000rpm
13	work mode	Stepper
14	Working voltage	AC220V
15	Command language	G code
16	Interface	USB or parallel port
17	Operating system	Ncstudio(DSP optional)
18	Flash memory	128
19	X-Y resolution	< 0.025mm
20	Software environment	Ucancam,
21	Running environment	Temperature:0-45℃
22	Paking size	1850*1750*1650mm
23	Net weight	300kg
24	Gross weight	350kg
