

## Quotation of cnc machine YXH-1212

Date:August.31.2018

Machine parts	Advantages
1200 *1200* 200mm working area	Steel gantry, big and thick square tube, heavy-duty structure
<b>2.2KW HQD air cooling spindle</b>	with 18000rpm,Higher precision.
Control system	<b>Mach3 control system</b>
<b>2.2kw Fuling inverter</b>	More stable performance.
Stepper 450B motor and Leadshine 860H driver	4 sets in total, Double motor for Y axis, one for X axis, one for Z axis, Torque: 7Nm. powerful in use.
Table structure	<b>Heavy duty thicker and bigger welded steel tube frame</b>
<b>Taiwan HIWIN</b> #20 square linear guide way for X,Y,Z axis	Famous brand and very solid and stable
<b>Taiwan TBI</b> ball screw	With high precision
Helical rack gears for X,Y axis	1.25M, big loading capacity, very powerful for machine, long lifetime.

Original Taiwan TBI ball screw for Z axis	The model2510(the model 2505 can be chosen)
<b>T-slot &amp; working table</b>	flexible and convenient to fixed the works
Tool sensor calibration	Help find working home position.
<b>Japan OMRON</b> limit switch for X,Y,Z axis	Help each axis go back to working home position.
Soft limit switch	Help protect machine axis.
Highly flexible towline, fire-resistant double-sheathed <b>Shanghai Cardiff cable</b>	Could be bent 300000 times, very long lifetime. Also can prevent the interference of static electricity.
Working voltage 220v, 3phase, 50HZ	220v, 1ph, 50hz-60hz also can be chosen
N.W	750KGS
G.W	850KGS
Accessories:	1 Tool Box 1 3 Collet 3.17, 4, 6, 12.7 4 4 Allen wrench M6 1 5 Open-end wrench 27-30 45-52 2 6 Certificate 1 7 Warranty card 1 8 Clamps 12 9 Inverter manual Type A 1 10 CD with software and manual 1 11 Adjustment screw 4
<b>Door to door price :USD6540</b>	

**2.2KW HQD air cooling spindle**

**2.2Fuling inverter**

**450B Stepper motor**

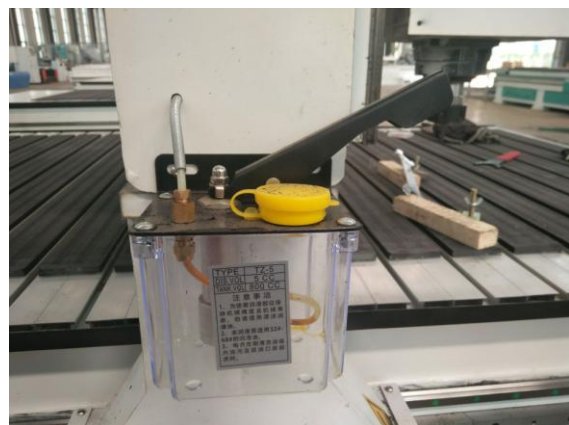

**Leadshine 860H driver**

**Tool sensor**

**Oil Lubrication system**

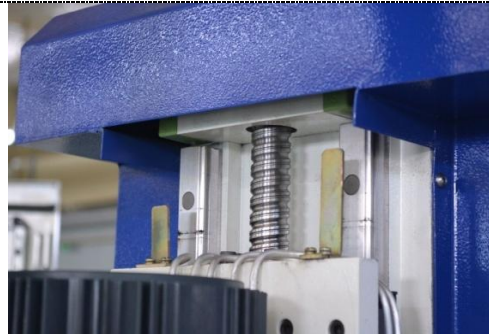

**Taiwan HIWIN 20# Square Linear guide**

**Taiwan TBI ball screw**

Helical rack

Gear Box for Helical Rack

High flexible cable with cable carrier

Grounding

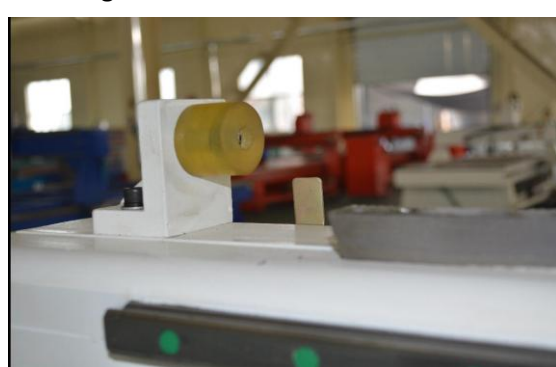

Japan OMRON limit switch

Traveling limit

T-slot working table

To use this structure (1212 have 4 legs)

**certification:**

We have **CE** and **ISO** certification

**Delivery port:**

**delivery date:** in 20 working days after receiving the deposit

**Payment:** 50% T/T in advance and 50% T/T before delivery

**Guarantee:** 12 months for the whole machine.

Within 12 months under normal use and maintenance,

if something is wrong with machine, you will get spare part for free.;

Out of 12 months, you will get spare part at cost price.

You will also get technical support and service all the lifetime.

**Technical support:**

1, Technical support by phone, email or MSN/Skype around the clock

2, Friendly English version manual and operation video CD disk

3, Engineer available to service machinery overseas

4, the factory will supply the videos and pictures to teach the client to install the gantry

**After sales services:**

Normal machine is properly adjusted before dispatch.

You will be able to use the machines immediately.

You will be able to get free training advice towards our machine in our factory. You will also get free suggestion and consulting, technical support and service by email/fax/Tel and lifetime technical support.
