

Quotation of UT1212 CNC router

To: Mr. Ilnur Ramisovich Sharafutdinov(mail: shilnur11@rambler.ru)			Date:August 22th, 2018
Model	Price(USD)	Main Configurations	Note
UT1212	USD\$6900 Price including machine price(), shipping cost to your door and custom clearance cost	Working area:1200*1200*350mm 2.2kw Italy HSD air cooling spindle Leadshine stepper motor and driver Mach3 4 axis controller Oil spray system for metal Rotary axis:200mm diameter,1200mm length Fuling industrial inverter T slot table with PVC Working voltage:220V/1 phase/50Hz	1.Warranty: 1 Year 2.Delivery time: about 50 days(from production to your door) 3.English Speaker English available machine installation and training. 4.engineer available to go abroad to train and install
Payment	T/T, 50% deposit advance, 50% before machine leaving factory		
Delivery	15 working days after receiving deposit.		
Packing	Strong wooden case		

Machine picture:

Parameter:

Working Area	1200*1200*350mm
Transmission	XY Gear rack transmission, Z axis ball screw transmission
Spindle	2.2kw Italy HSD air cooling spindle
Table	T slot table with PVC
Motor	Leadshine stepper motor and driver
Controller	Mach2 4 axis controller
Rails	Taiwan 20 HIWIN rails
Ball screw	Taiwan TBI ball screw
Input Voltage	220V /1 phase 50HZ(can be customized)
Rotary axis	200mm diameter, 1200mm length
Oil spray system for metal	Yes
Grounding of electrical components	Yes
Lubrication system	Yes
Mechanical limit switch	Yes
Software	Artcam/ type 3/JD paint
Control cabinet	Separate cabinet
Limit	Japanese Omron brand
Packing	Standard wooden case
Tool box	Yes
Free spare parts	tool box 1 set, tools 1 set, wrench 1 pec, collect number 3 pecs, ground feet 4 pecs clamps 6 pecs fuse 1 piece software
DDU price to your door	USD6900

Details of the machine		
Italy HSD air cooling spindle	Taiwan HIWIN Square Linear guide and Slider	Mach3 4 axis control system
		
High precision gear rack	Stepper motor and driver	Gantry milling by 5 axis metal milling machine, higher efficiency
		
Lubrication system	Fulling inverter	Emergency stop
		
Test with precise meter	Wires with UL rate	Rotary axis
		
Oil spray system	Separated control cabinet	Fine paint

Machine packing

UL certification

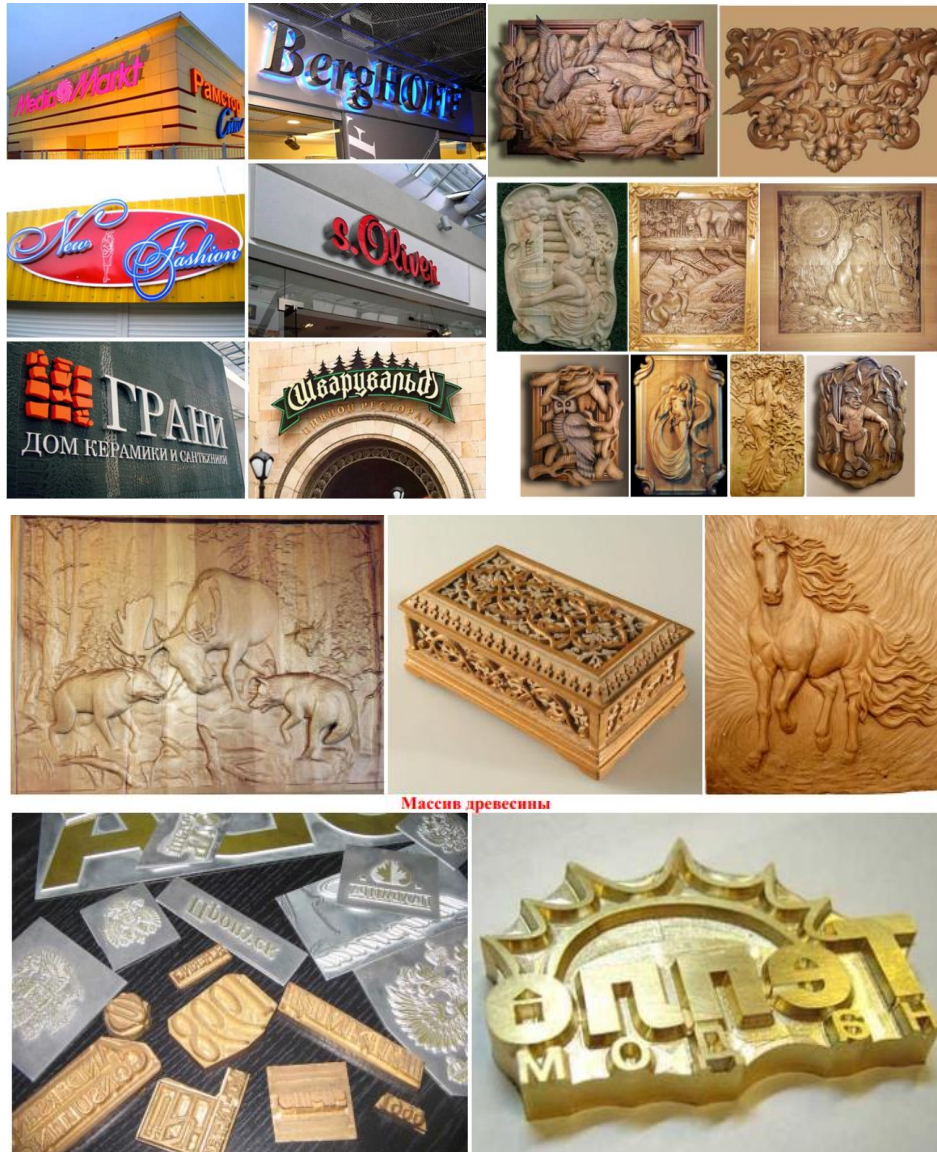

CE certification
