

ARROW ENGINEERING

### Specification for PCB

**Project:** MotionFire  
**Board:** FireDriver Rev.A  
**Date:** 2008-02-12

### PCB specification

**Number of layers:** 4  
**Type:** RoHS  
**Laminate thickness:** 1,6mm  
**Color:** Black

### Component print

**Layers:** Top/Component and Bottom/Solder  
**Color:** White

### Copper thickness

**Outside layers:** 35um  
**Inside layers:** 35um

### Other

**Layer sequence:** 1 -> 4  
**Contour tolerance:** 0,2mm  
**Gerber format:** 274-X  
**Board class:** Track 6 mil / Clearance 6 mil  
**PDF docs:** placement\_top.pdf - Component placement view top side  
drill.pdf - Drill drawing  
**Coordinate file:** coordinates.xls - Pick and place coordinate information, MS Excel
